

**Pizza Works Newsletter – September 2005**

Dear Friends,

As I write this, summer is fading fast and school has started. Remember **Pizza Works** for those kid (and adult) birthday parties, team sports and other times you want to have a pizza, pasta, salads, grinders or paninis.

A recent national survey found that 43% of Americans view lunch as the least important meal and the majority (58%) skip it, if too busy. It went on to note that: Nearly half are more likely to indulge in unhealthy foods as between meal snacks; One third feel tired or moody; About a third confess to overeating at the next meal if the previous one was skipped; and One out of five feels nauseous or has problems concentrating or thinking. To avoid all these problems, come to **Pizza Works** for your lunch. **For really fast service, keep a menu handy and call ahead so we can have your lunch ready when you come in the door.** If you don't have time to call, you can grab and go with, **pizza by the slice.**

Remember pizza for a delicious and healthy after school snack. We can definitely deliver them right to your door after 4PM and we often have a driver available for mid-day deliveries.

Visit our web site at <http://www.pizzawrks.com> and see the latest adventures of our mascot, Momo and his friends. You can also see our menu there, as well as several coupon specials. We also have coupons on the ValPak web site – <http://www.valpak.com>

Our Free Lunch Winner for August is: Patricia Brandt of Offshore Systems, Inc.

**Tips for Going Back to School**

- \*Use a big block calendar to keep track of activities & hang school & sport notices on the refrigerator.
- \*Alarm clocks in all bedrooms. Put a clock in the bathroom so the kids will keep track of the time.
- \*Remember to hug your kids each morning before they leave the house to show you love and care for them.
