

# PIZZA WORKS

Mini Newsletter – Spring 2007

Dear Friends,

May is nearly here as I write this.

Pizza Works is still up for sale. And there is still nothing definite to report. We are still moving forward with our efforts to keep new ideas coming and make Pizza Works even better.

**Gluten Free Crusts** We had a sampling party with crusts from 3 manufacturers. We found one was absolutely horrible, but the other two were hits. We have gluten free crusts in small (10") and mini (7") sizes. The favorite was a crust manufactured by Kinnikinnick Foods. We are also trying a Gluten, Yeast and Dairy free crust. We are stocking retail packs of both crusts.

**Whole Wheat Crusts** We are still working with our distributor to see if we can purchase quantities that we have storage space for.

**Remember our Regular and Gourmet Pizza** for your spring and graduation parties. Cut one in squares for a great hot hors d'oeuvres.

Remember to help keep your Independent Pizza Restaurant (and other independent businesses here) alive - buy at least **1 pizza a month**.

## Introducing: Gluten Free Pizza

## EDNA'S CORNER

Dear Friends of Pizza Works,

Spring Fever has hit-as I am writing this the sun is out and I wish I could be out enjoying the day. Can you believe that spring is here finally and summer is just around the corner.

I want to say Thanks to our Steph for all of her hard work. She will be leaving us soon. She has been accepted at the University of Washington !! I want to wish all of the graduating seniors good luck and those of you that our going in the military be safe.

See Ya Soon— Edna

## Welcome New Neighbors

The space left vacant for so long when Videos Plus left has been filled with a mortgage company and a pet food store. Alki Mortgage opened a branch and Pets Energy opened their 2nd store. Pets Energy specializes in Holistic and Natural pet foods.
